HONOR CORDS

Honor Cords are given to graduating students to signify outstanding academic achievement. The University of Pittsburgh Registrar presents honor cords to students who have achieved a cumulative grade point average at the end of Fall term that, if maintained at graduation, will qualify them for cum laude, magna cum laude, or summa cum laude honors. Some students are wearing stoles from Beta Gamma Sigma, signifying membership in this national honorary for business schools accredited by AACSB International: The Association to Advance Collegiate Schools of Business. Other students are wearing cords or stoles granted for distinctive achievement in student organizations and honorary societies.

DIPLOMAS + HONORS

Students listed in this program have applied for graduation in December 2022, April 2023, or August 2023. Their academic records will be reviewed after grades are submitted. Final certification of all Pitt Business graduation requirements will be made by the Pitt Business Student Records Office. Upon receiving final confirmation, the University Registrar will post the degree on the graduate's transcript and mail the graduate's diploma to the address listed on the student's graduation application. Final certification of cum laude, magna cum laude, or summa cum laude honors will be determined at the end of the term of graduation.

FLORIST

For your convenience, Commencement Flowers is on site before and after the ceremony if you would like to purchase flowers for your graduate. The company carries top-of-the-line quality, fresh-cut flowers, with a large variety of colors and sizes.

- 1 Dozen Long-Stem Roses – \$49 with babies breath and greenery
- 1/2 Dozen Roses – \$25

PHOTOGRAPHER

GradImages, an external photography service, will take pictures of all students as they get their diploma and after they have received their diploma. These pictures can be purchased by students directly through the company.

Alma mater, wise and glorious
Child of light and bride of truth
Over fate and foe victorious
